Art Studio in Florence (Independent Study)

- **ART 171-IS A (1 credit)**
Students will complete 20 lessons (45 minutes each) or 10 lessons (1.5 hours each) in order to earn **one** credit at Elon. The cost of this is €1,280.00 for 20 lessons at 45 minutes each or the equivalent. Students must pay for the materials if they use stone or marble (an additional €50.00).
- **ART 171-IS B (2 credits)**

2. After a student identifies his or her course registration preference, The ICIC Florence Program Manager will contact the Registrar to register the student for the course(s) of his or her choice. The Bursar will then be contacted to add the charges to the student's account.

Note: If the art studio lessons lead to a student's course load exceeding 18 semester hours, he or she will NOT be charged extra tuition because he or she is already paying for the lessons.

Cancellation of art studio lessons:

Any student may cancel art studio lessons after the first lesson and will only be charged for the first lesson (one lesson is €55.00). Any cancellation received after subsequent lessons (any lesson after the first lesson) will result in full charges to the student for the semester of art studio lessons. Students must notify the ICIC Florence Program Manager and Edy Frolleno if they are canceling their art studio lessons.

Non-credit art studio lessons: Students are welcome to take non-credit art studio lessons in Florence. Arrangements for and payments for non-credit bearing art studio lessons can be made directly with Edy Frolleno at AEF after arrival in Florence.
